

CORRECTION

Correction: Preventing explosions of hydrogen gas inhalers

The original version of this article contains two errors in **Table 1** and in main manuscript, respectively. The product name of “H₂ Life” should be “JWS H₂ Inhaler.”

The online version of the original article can be found under doi: 10.4103/2045-9912.266996.

Medical Gas Research would like to apologize to the authors and readers for the error and any confusion this may have caused.
